

TOURO COLLEGE BERLIN

# Psychology (B.A.)

## Take your first steps in understanding the human mind with us!

An American degree taught entirely in English!

Classes are **small**, so you get the **full attention** of the professors. You have a **voice**, and you are **not a number** in a 400-student-class!

The professors are **well-connected both** in Germany and internationally. Their recommendation can provide a **great opportunity for future employment!**

**Mentoring program** with our **top-field alumni!**

**Unique internship options** and, after graduation, **excellent job opportunities** in **international and national** institutions!

**Research opportunities** for outstanding students.

We offer a **large variety of courses**, so you can choose to major in Psychology and minor in Business!

Check out our range of courses here:
