

Drodzy Rodzice i Uczniowie,

Z przyjemnością zapraszam Państwa do wzięcia udziału w wyjątkowym wydarzeniu poświęconym edukacji międzynarodowej – Days of International Education. Targi te otwierają drzwi do edukacji zagranicznej i pokazują możliwości kształcenia w szkołach średnich, uniwersytetach, college'ach oraz szkołach językowych na całym świecie. Oferta jest bardzo bogata i ciekawa, jednakże nie jesteśmy w stanie przedstawić Państwu wszystkich dostępnych propozycji na rynku. Z tego powodu zapraszamy zainteresowanych na indywidualne konsultacje w biurze lub telefonicznie, podczas których odpowiemy na Państwa pytania i wątpliwości.

Będąc specjalistami w aplikacji na zagraniczne uniwersytety, służymy kompleksowym wsparciem przed aplikacją, w trakcie i po aplikacji na studia. Nasza pomoc obejmuje wybór uniwersytetu, tłumaczenie i skompletowanie wymaganych dokumentów. Proponujemy profesjonalną pomoc w edycji i napisaniu listu motywacyjnego – najważniejszego dokumentu w całym procesie aplikacji na studia. Służymy także wsparciem podczas aplikacji o kredyt studencki i zakwaterowanie. Nasi doradcy to absolwenci zagranicznych szkół, którzy posiadają wiedzę praktyczną na temat procesu aplikacji i z przyjemnością odpowiedzą na Państwa pytania.

Rodzice szukający zagranicznej szkoły średniej mogą liczyć na profesjonalną pomoc doświadczonych konsultantów edukacyjnych Baltic Council for International Education w zakresie procedury aplikacyjnej i wyboru szkoły. Ponadto, jako reprezentanci zagranicznych szkół na terenie Polski, dajemy możliwość podejścia do testów wstępnych wybranych szkół w naszym biurze w Warszawie. W celu ułatwienia Państwu podjęcia decyzji w wyborze szkoły, organizujemy także wyjazdy studyjne do wybranych przez Państwa placówek.

Od wielu lat pracujemy także z najlepszymi, zagranicznymi szkołami językowymi na całym świecie. W naszym portfolio znajdziecie Państwo szkoły dla dzieci, młodzieży i dorosłych w najlepszych lokalizacjach na świecie. Oferujemy kursy językowe dla menedżerów, kadry zarządzającej, młodych profesjonalistów; kursy ogólne, intensywne, akademickie przygotowujące do nauki w zagranicznych szkołach średnich oraz przygotowujące od egzaminów Cambridge czy IELTS, obozy językowe dla dzieci, a także spersonalizowane programy nauczania. Bazując na naszej wiedzy, doświadczeniu i zadowoleniu uczestników, z wielką przyjemnością podzielimy się z Państwem starannie wyselekcjonowanymi propozycjami zagranicznych programów edukacyjnych. Porozmawiajmy o edukacji międzynarodowej.

Zapraszam do kontaktu,
Kamila Ostrowska

Kierownik Regionalny Baltic Council for International Education

FAIR'S PARTICIPANTS

Abbey DLD Group of Colleges *(Great Britain)*

www.abbeycolleges.co.uk

Participating in Warsaw

The UK has an international reputation for the quality of its education system. Qualifications offered by British schools, colleges and universities are recognised globally as hallmarks of excellence and distinction. The benefits of studying in the UK reach far beyond qualifications and certificates, however. English is the international language of business and becoming fluent is one of the most important skills any ambitious student can develop. Studying at an Abbey DLD College can provide you with an unrivalled opportunity to gain entry to some of the best universities in the UK, improve your English and make the best start to your career. Many hundreds of international students come to the UK every year to study with us, because they are ambitious and they want to succeed.

Each of our three colleges in Cambridge, Manchester and London offers a tailored education designed to launch students on a successful and prosperous future, including entry to the UK's most prestigious universities. Our courses include GCSEs, A Levels in over 35 subjects and international Foundation Programmes (from 17 years).

Why chose us?

University Progression

Our tailored teaching in small class sizes, our personal care and our support throughout the University application process leads our students to strong exam results and top University offers. In 2018, we had a 99% A level pass rate with 88% A*-C grades for our international students across the group.

Skills To Succeed In Your Career

Learning how to think critically, analyse astutely and present effectively will prepare you for success in a competitive world. We will help you find your preferred learning style and tailor our teaching through one-to-one tutor groups and supervised self-study programmes. We develop independent learners today for career success tomorrow.

Outstanding Facilities In World Class Locations

The location of our three colleges in Cambridge, London and Manchester is designed to offer a superior cultural experience in close proximity to the world's best Universities and global businesses. Abbey DLD facilities and premises offer huge advantages, whichever college you choose. We have over 550 en-suite boarding rooms many located on college site with state of the art facilities, 24 hour security and live-in house parents as well as high speed internet access. An experienced network of vetted host families for students preferring a family setting.

Our colleges

Abbey College Cambridge

The College opened in 1994 and its success has seen it grow and expand culminating a move in 2016 to new, purpose-built premises. Abbey College Cambridge students come from a variety of international backgrounds and most progress to the top Universities in the UK, including Cambridge, Oxford, Imperial and the London School of Economics (LSE).

Abbey College Cambridge has forged strong links with Cambridge University and offers students visits to the University's colleges and departments with potential internships at the

University laboratories. Our A-level results continue to reflect the college as one of the very best independent colleges in the UK. Our students exam results illustrate this, with the A Level A* and A pass rate being above 60% for each of the past eleven years, compared to an average of 25% in other UK schools. In 2018, 53% of students achieved A*-A grades.

Our college has been rated as 'Outstanding' by Ofsted in all areas of our teaching and boarding provision. To help even more students achieve their ambitions our college is located on a truly outstanding modern campus in Central Cambridge. Our new campus has been designed by our staff and purpose built to perfectly fit the learning and boarding needs of our students.

Our campus includes:

- 123 en-suite bedrooms with full board, and a further 200 rooms within a minute's walk
- Common rooms and social areas
- 42 fully equipped classrooms
- 12 state-of-the-art Science laboratories
- 2 libraries
- Art studio
- 2 dedicated music studios
- Dining Hall serving all student meals
- Fair trade coffee bar
- Gym
- Basketball court
- Assembly and sports hall
- On site security and CCTV
- Secure bike storage

Abbey College Manchester

Abbey College Manchester has been providing A Level and GCSE education since 1990. The College has three major faculties: Sciences & Mathematics, Arts & Humanities and Languages & International Studies. It offers over A Level courses and excellent International Foundation Programmes. Popular courses include: Science, Engineering, Photography and Art and also the Medical Pathway Foundation Programme which has direct entry to UCLAN and Aston university.

Our contemporary building boasts superb facilities including:

- 28 classrooms
- Five modern science laboratories
- Computer suite
- Art studio

A Photography and Apple Mac Suite

70 high quality ensuite bedrooms within the college boarding house and another 40 single rooms available within host families

DLD College London

Our oldest College was established in 1931, in 2015 moved to brand new, purpose built facilities in the centre of London, looking over the River Thames, Houses of Parliament and Big Ben. With bright, state of the art teaching facilities and secure, on-site student accommodation, all in the centre of the amazing, historic and vibrant city of London, DLD College London is a unique college campus. Students come from Britain and all over the world to study our wide range of subjects. 64% of international students achieved A*-B grades in 2018.

Our London college offers stand out facilities including:

- 220 secure, en-suite student bedrooms on site

- Restaurant facilities on-site, including a Starbucks franchise
- 6 high specification laboratories
- Nearly 40 tutorial rooms
- Open plan library, study and ICT facilities
- Swimming pool, sauna and fully equipped fitness studio
- A creative arts and media faculty featuring art rooms, photography, drama, music and media.

Academic Summer *(Great Britain, Canada)*

www.academicsummer.co.uk

Participating in Warsaw, Wroclaw

Academic Summer is the real academic experience – taster of a British boarding school - for students aged 7 to 17 for two to eight weeks in central London, Cambridge or Bristol. International and British students study academic subjects in English using the Content and Language Integrated Learning (CLIL) approach. We offer students an inspiring and challenging academic experience in a global community of learners from all over the world. Students participate in our exciting and interesting leisure programme.

They can try new things, have fun, develop their leadership skills and enjoy cultural visits.

Academic Juniors is a challenging, academic and fun-packed learning experience for young learners **age 7 to 12**. Students are taught by primary teachers who know how young learners learn best. Their timetable includes a range of subjects and everything fits around a weekly theme. **Students age 12 to 14** explore the broad curriculum of GCSE covering a range of academic subjects (English, maths, sciences, social studies and the arts) . Students work on their IT skills, study skills, English language skills and learn how to deliver an effective presentation. **Students age 15 to 17** engage with IB / A-Levels. They choose the subjects they want to study and they have an individual timetable. The subjects offered: art, biology, chemistry, D&T, drama & music, economics & business, English, environmental systems & societies, essay writing, history & politics, computer science, literature, maths, media studies, physics and presentations & interviews.

We also offer specialist courses: Get Ready for Medicine (London), Get Ready for IELTS (London), Get Ready for Uni (Cambridge) and Academic Sports (Bristol). **For students 18 plus** we are offering our new and unique Academic Adults course in Manchester. We help students develop their study skills ready for university study. Students can choose from four pathways: Liberal arts, biological sciences, physical sciences and business.

Academic Camp Canada – a real academic experience for international and Canadian students aged 12 to 18 on a spectacular oceanfront campus of Brentwood College School on Vancouver Island, British Columbia and Rothesay Netherwood School in New Brunswick.

We offer a wide range of academic subjects including English, maths, sciences, economics, academic French and the arts. We have specialist programmes: Computer science (British Columbia) and Medicine (New Brunswick). Our leisure programme includes cultural visits. On campus activities include canoeing and different sports. Students will experience something different on the whale watching excursion and we will make the most of the warm summer evenings with our Canadian BBQs.

Academic Camp Switzerland – a real academic camp in a Swiss boarding school (College & Lycee Saint-Charles). We offer a range of academic subjects as well as an exciting leisure programme that includes paragliding, watersports, hiking and visits to European cities such as Paris, Geneva, Zurich, and Strasburg.

Baltic Council for International Education

(Poland, Estonia, Latvia, Lithuania)

www.balticcouncil.org

Participating in Warsaw, Lodz, Wroclaw, Krakow

Baltic Council for International Education (BCIE), founded in 2004, is a leading education abroad company in the Baltic States with offices in Riga, Ventspils (Latvia), Tallinn (Estonia), Vilnius (Lithuania) and Warsaw (Poland).

One of the main activities of the BCIE is counselling and sending students to study abroad, as well as assisting with the application process. Programmes offered cover all aspects of the education abroad industry including language schools worldwide, private and state secondary schools, vocational colleges and universities.

Twice per year (in autumn and spring) BCIE organizes the biggest in the Baltics education abroad Fair “Days of International Education” that is held in four Baltic cities – Kaunas, Vilnius, Riga and Tallinn and the biggest Polish cities (Warsaw, Lodz, Krakow, Wroclaw). This is a well-known brand event that attracts more than 30,000 unique visitors interested in studying abroad. In addition to this in December we run another boutique event “Exclusive Secondary Focus Fair” in Vilnius and Riga. This event is aimed at promotion of education in private independent schools and colleges in different countries.

Hundreds of young people get our professional counselling and assistance in the application process to universities in the UK, the Netherlands, Denmark, Canada, the USA, Australia and other countries. We are the only company in the Baltics that sends junior groups to language schools abroad on a weekly basis during summer. We send the biggest number of students from the Baltics to language courses and private & state secondary schools worldwide.

The main distinctive features of our work are high reliability, responsibility and focus on a student. All our managers and counsellors hold university degrees and have experience in studying abroad. BCIE is a regular participant of all main study abroad workshops, including ICEF, ALPHE, BBSW, IALC. Our counsellors visit our new and established partners annually, as well as participate in agent conferences and fam-trips organized by schools and universities. BCIE is the only examination centre in Latvia for such international exams and tests as IELTS, Cambridge English (Young Learner’s, KET, PET, FCE, CAE, CPE, BEC, ILEC, TKT), ACCA, Aptis, Open University and University of London External Exams, as well as UCAS information centre offering university placement services in Lithuania, Latvia, Estonia and Poland. Besides, BCIE administers entrance tests for private schools and colleges abroad (BUSSATS, UKiset) as well as provides the detailed information about the exams, dates and fees as well as the preparation courses.

Breda University of Applied Sciences *(the Netherlands)*

www.buas.nl/en

Participating in Warsaw, Lodz

Breda University of Applied Sciences is a university of applied sciences with some 7,000 students from over 100 countries. It is situated in the south of the Netherlands, in the city of Breda, only 100 km from both Amsterdam and Brussels. Breda is a historical city with some 180,000 inhabitants. Approx. 20,000 young people are studying here. Breda University of Applied Sciences (in former days NHTV Breda) was founded in 1966 as an institute offering bachelor’s programmes in tourism and leisure and in this field. New professional and academic bachelor’s and master’s programmes have been developed since then.

Specialist disciplines of Breda University of Applied Sciences

With a focus on the development of academic knowledge and the promotion of sound professional practice, the specialist disciplines of Breda University of Applied Sciences are:

- Games
- Media
- Hotel
- Facility
- Logistics
- Built Environment
- Tourism
- Leisure & Events

In the fields of tourism, leisure and hospitality, Breda University of Applied Sciences is the largest and leading education institute in the world. According to the league table of Dutch universities of applied sciences published by *Keuzegids HBO*, Breda University of Applied Sciences has been one of the best universities of applied sciences in the Netherlands for many years.

Centennial College *(Canada)*

www.centennialcollege.ca

Participating in Warsaw, Lodz, Wroclaw, Krakow

Centennial College is the first government-accredited College in Ontario, Canada. Our College is well known for its record of exemplary teaching, eight specialized academic schools and extensive partnership building. Centennial is recognized as one of the most culturally diverse post-secondary institutions in Canada. Almost 100 ethno cultural groups are represented and 80 languages are spoken on campus. International students are a valued part of our campus community and our International Education Centre ensures students are well supported with information and guidance to ensure successful orientation to studying, working, and living in Canada.

Centennial offers diploma, advanced diploma, certificate, and degree programs in Business, Engineering Technology and Applied Science, Media and Design, Health and Community studies, Hospitality, Tourism and Culture and Transportation.

Centennial offers post-secondary, post-graduate and fast-track programs, five joint degrees with universities in Toronto, and has credit transfer agreements with multiple universities in Canada, U.S., Australia, Europe, Asia and around the world.

Social Media - Photos, Videos, Information and Student Experiences

For more information about studying in Toronto, Canada at Centennial College, we welcome you to join our International Student Communities on Facebook and VK:

De Montfort University *(Great Britain)*

www.dmu.ac.uk

Participating in Warsaw, Lodz, Wroclaw, Krakow

DMU is home to more than 23,000 students who study in excess of 400 courses. We have a long list of accreditations by professional bodies such as ACCA (Association of Chartered Certified Accountants), RIBA (Royal Institute of British Architects) and Institution of Engineering and Technology (IET) meaning students can gain exemptions from professional qualifications after graduation. DMU is also rated in the top 20 for graduate employability and in the top 3 for teaching excellence in the TEF ranking (Teaching Excellence Framework), where we were awarded a gold status, thanks to our ability to deliver great results and experience for students.

We are committed to offer a global experience and knowledge to our students and our DMU Global programme supports students with study trips and work opportunities worldwide.

One of the most impressive things about DMU is our campus, which is also an integral part of the vibrant city of Leicester. The city has been named as one of the top 10 cities in which to live and work in England (Good Growth for Cities Index 2016) and is also one of the most affordable cities to live in for students.

Dukes Education *(Great Britain)*

<https://dukeseducation.com/>

Participating in Warsaw

Dukes Education is home to a family of carefully-selected schools and colleges. Based in London, Kent, Cambridge, and Cardiff, each school has a unique character. Though distinctive in identity, they are all chosen for their consistent excellence in the provision of learning and development for young people. Dukes preserves the individual ethos and characters of each school by ensuring Heads and Principals lead on all decisions. We add to this the power of the collective, providing security and support, a platform for sharing educational best practice, and staff development programmes. Our boarding and summer schools include:

Cardiff Sixth Form College, the best A-level college in the UK by results - having topped the independent school A-level results tables for seven years running.

Earlscliffe, a boarding school in Folkestone, Kent, offering an outstanding education in a family-scale environment. Students receive excellent teaching and university pathway provision.

Rochester Independent College, in Kent, a day & boarding school for children aged 11 to 19. The college offers a personal but rigorous atmosphere where students can take GCSE, A-level, and retake courses.

Dukes Education hosts residential English language summer and Easter programmes for international students aged 8-17. Our summer schools are run in a number of prestigious British boarding schools and at the University of Oxford. Students from over 100 nationalities join us for an academic experience that allows them to develop language skills, delve into academic subjects in greater depth, explore university life, and make long-lasting friendships.

Economics & Business - University of Amsterdam *(the Netherlands)*

www.uva.nl

Participating in Warsaw

Economics and Business at the University of Amsterdam (UvA) offers four different Bachelors of Science (BSc) programmes. All our BSc programmes take 3 years to complete. They are entirely taught in English and have a very diverse international student body of over 100 nationalities.

Earning a degree from the UvA is a stepping stone for your career. You can choose to continue in one of our 1 year MSc programmes (most student do), do a PhD or join the job market. Studying Economics or Business goes beyond academic learning. We help you to explore your options, develop skills and connect to companies to increase your employability with confidence after graduation.

There are also several career-elements within the programme that link to professional practice such as guest teachers or assignments for companies. The UvA is an internationally oriented university in the heart of Amsterdam and ranks among the top 15 Universities in Europe. The city of Amsterdam is a cosmopolitan city with a small scale feel with only 860.000. Because of the small setting of the city, it is easy to get around and most people speak English which makes it easy to live in Amsterdam.

The English Language Centres Eastbourne

(Great Britain)

www.elc-schools.com

Participating in Warsaw

The English Language Centre is a not-for-profit charity which operates two schools on the south coast of England: ELC Brighton and ELC Eastbourne. Both centres have strong reputations for quality and success, established over their long histories.

We offer a wide range of courses for adults and young adults aged 16+ including General English, IELTS & Cambridge exams, English Plus, Adult Summer Vacation, Study Year Programme, Business English, One-to-One, 50+ and teacher development courses for overseas teachers. We also arrange tailor-made courses for groups or individuals.

- both schools are centrally located, just 5 minutes' walk from the sea
- both locations offer quick and easy access to London and all the major London airports
- the centres offer high quality teaching, great accommodation and excellent facilities including free Wi-Fi, IWBs/Activeboards and class sets of iPads
- accommodation is in carefully selected homestay, shared student houses, residence and hotels
- we have a strong commitment to quality and care of our students so arrange all aspects ourselves including accommodation and a full social programme
- we try to make life easy for our agents and offer a prompt and efficient administration

ESCP Europe Business School

(Germany, Great Britain, Spain, Italy, Poland)

www.esceurope.eu/programmes/bachelor

Participating in Lodz, Wroclaw

ESCP Europe is the world's oldest business school (established in 1819). With its multi-campus model in existence since 1973 and located in Berlin, London, Paris, Turin and Warsaw, it promotes and is a prime example of active European spirit. Today, more than 5000 students start a Bachelor or Master programme at ESCP Europe every year, with over 5000 managers and executives taking part in seminars or taking up further education at the business school over the same period of time. There are in excess of 100 nationalities represented across the various courses and programmes. ESCP Europe Berlin is a state-approved academic institution and the first university in Germany to be accredited by all three significant international accreditations agencies – AACSB, EQUIS and AMBA. It belongs to the one per cent of all business schools in the world which have gained „Triple Crown“ status. Further information on ESCP Europe Business School Berlin is available at: www.esceurope.eu/de

EU Business School (Spain, Germany, Switzerland)

www.euruni.edu

Participating in Warsaw, Krakow

Established in 1973, EU Business School (EU) is an international, professionally accredited, high-ranking business school with campuses in Barcelona, Geneva, Montreux, Munich and online. We provide small, dynamic classes in English, with the best of both North American and European academic curricula. Our pragmatic approach to business education prepares students for a career in today's rapidly evolving and globalized business world. EU offers foundation, bachelor's, master's, MBA and doctoral programs, both on campus and online with business administration, communication, tourism management, international relations, sports management, digital media management, international business, marketing, finance, enterprise and human resources management, among others.

Through our global network of academic partners, students can earn state-recognized degrees on EU campuses with the University of Roehampton in London, the University of Derby in the U.K. and the Universidad Católica de Murcia (UCAM) in Spain. Partnerships with Pace University in New York, the University of California in Riverside, Fisher College in Boston and Shinawatra University in Bangkok offer students the chance to earn a second qualification while studying in diverse and enriching environments.

European Forensic Institute (Malta)

www.eufor.eu

Participating in Warsaw

The European Forensic Institute (EFI) is an innovative Higher Education Institution recognised by the Ministry of Education in Malta, providing accredited courses to students and professionals in the field of Forensic Sciences according to the European Qualification Framework. We aim to connect students directly to experts and practising professionals in the forensic field (our Academic Staff include professionals with experience in National Police Forces, the Fire Brigade, National Courts and Private Investigators) to ensure that their foundation is built upon knowledge, skills and competences required of a forensic science practitioner at the highest professional standard. In fact, all our students are registered as student members of the Chartered Society of Forensic Science in the UK. Our courses are delivered through our interactive Digital Campus, facilitating the transfer of knowledge at their fingertips. Students and lecturers meet at the state-of-the-art laboratory at Malta Life Sciences Park for their practical sessions to gain hands on experience in Crime Scene Investigation, Fingerprint development, Blood Spatter and Ballistics Analysis, among them. In addition, our students are also exposed to a range of pressing issues such as Audio, Visual, Web and Data Science in Digital Forensics.

Forensic Sciences and Criminal Investigation (Full Time Students):

BSc (Hons) - (3 years)

Higher Diploma - (2 years)

Diploma - (12 – 18 months)

Certificate - (6 months)

For more information: <https://www.eufor.eu/education>

Falmouth University (Great Britain)

www.falmouth.ac.uk

Participating in Warsaw, Lodz, Wroclaw, Krakow

Falmouth University is located in Cornwall, United Kingdom.

Community

The university is home to more than 5500 students, from 100 countries. Our Student Union offers in excess of 150 clubs and societies.

Cutting-edge

Falmouth has a history of over 120 years, but its future-focussed courses, world-class facilities and industry-connected staff mean that it is at the forefront of the Creative Industries.

Culture

The region is now home to one of the most diverse, eclectic and exciting festival scenes in the UK.

Landscape

There aren't many universities that have a campus only a five-minute walk from the beach.

Food

Whether you want the freshest local seafood, inventive vegan options, international flavours or a traditional Cornish pasty, whatever your taste, Falmouth has something to get your taste buds tingling.

Be a part of Creative UK

From advertising, art and architecture, through to film and fashion, music, theatre, gaming and product design, Great Britain is leading the way. The Creative Industries are now the fastest growing sector in the UK economy and the trend is similar across the world.

There's more information on our website on www.falmouth.ac.uk.

If you want to be part of the adventure contact us on futuresudies@falmouth.ac.uk or on WhatsApp on 0044 7900298022.

Fontys University of Applied Sciences *(the Netherlands)* www.fontys.edu

Participating in Warsaw, Lodz

Fontys is a leading University of Applied Sciences in the Netherlands offering university education in the fields of ICT, engineering, management, marketing economics, communication and logistics. The bachelor programs Fontys offers in English are the following:

Bachelor programmes

- Marketing/Management: Digital Business Concepts
- International Business
- International Business Economics
- International Marketing
- International Finance & Control
- Logistics management: International Fresh Business Management
- International Lifestyle Studies
- International Communication
- Industrial Engineering & Management
- CT & Software Engineering
- ICT & Business
- ICT & Technology
- ICT & Media design
- ICT & Infrastructure
- Logistics Management/Engineering
- Business Informatics
- Electrical & Electronic Engineering
- Mechanical Engineering

- Mechatronics
- Automotive Engineering

The Business and Logistics Management/Engineering programs are provided in the city of **Venlo**. This city with approximately 100.000 inhabitants, is only 5 minutes from the German border, and 40 minutes from the Belgian border, making the university a place with students from different nationalities. The business programmes provided in the city of Venlo have a unique facet within the second year. Students of these programmes take part in the Mini Company. The Mini Company is a one year real life run project, in which groups of students build their own company. Within the Logistics Management Engineering programme a great number of projects take place at companies in the region. Important to notice is that Venlo is THE logistical hotspot within the Netherlands, making it very interesting to study Logistics in this region.

In Eindhoven, centre of science and technology also named the **Brainport region**, the ICT and Engineering programmes, International Business and Communication are offered. Eindhoven counts approximately 200.000 inhabitants and is also known as the city of lights (Philips was grounded here). **Brainport** is an international recognized centre of science and technology. Fontys Eindhoven Engineering and ICT programs are highly practically orientated. During your program, you will complete 2 internships in which you must prove that you can adequately analyse, tackle and solve problems.

In **Tilburg** the Marketing programmes Digital Business Concepts, International Event, Music & Entertainment studies and International Lifestyle Studies are offered. Tilburg is a dynamic and cultural city in the Midpoint region of the Netherlands with many art events and festivals. It is the home of various cultural institutions. Tilburg has much to offer to students including a vibrant student life. More than 28,000 students study at one of the three universities in Tilburg. Usually, the lecturers at Fontys are not “typical” teachers - they are business people. Many have worked for big companies before they started working at the university. As Fontys has contacts with over 500 companies worldwide, many students do an internship in world famous companies. Thus, Fontys offers great opportunities to gain both theoretical and practical knowledge prior to entering the real business world.

Both campuses support our international students in finding an accommodation. These accommodations are usually shared with 3 other students. However, each student has his/her own bedroom. In addition, sport activities are facilitated for students. In Eindhoven students receive a discount on visiting the Sport Centre. In Venlo the Fontys Venlo Sports’ Team arranges different activities for its student body.

Besides the above mentioned bachelor programmes, Fontys offers some Master programmes too. To finish off, Fontys offers students after graduation a career in one of the world’s strongest economic regions.

HZ University *(the Netherlands)*

<https://hz.nl/en>

Participating in Warsaw, Lodz

HZ has been ranked in the top 3 of medium-sized Dutch universities of applied sciences for nine years in a row. With its 30-year experience in internationalisation, HZ is renowned for its student-focused learning and excellent study programmes. Every student has a study coach and classes are kept small.

HZ’s extensive business network and applied research centres, together with your two 5-month internships, will prepare you to become the all-round professional companies are looking for. A HZ diploma will thus give you excellent career perspectives.

The international Bachelors offered at HZ are 4-year programmes, but most of them also have a 3-year track:

- **International Business**, 3 options : International Business/International Business + 1 foreign language/International Business + 2 foreign languages
- **Tourism Management**
- **Chemistry**, 2 specialisations : Life Science/Applied Chemistry
- **Water Management**, 3 specialisations :
Water Management/Delta Management/Spatial Planning & Design
- **Civil Engineering**
- **Information & Communication Technology** (4 years only)
- **Logistics Engineering** (4 years only)
- **Industrial Engineering & Management** (4 years only)

Besides HZ offers a Master, **MSc in River Delta Development** of 3 semesters, a unique joint degree offered by three universities of applied sciences with complementing expertise in the field of water: HZ University of Applied Sciences (coastal regions), Van Hall Larenstein University of Applied Sciences (river systems), and Rotterdam University of Applied Sciences (urban water). For more information, see www.hz.nl/en

Institut Montana Zugerberg (Switzerland)

www.montana-zug.ch

Participating in Warsaw

Why choose Institut Montana?

We are a Swiss-International boarding school founded in 1926.

At Institut Montana, our students are at the centre of everything we do. After all, your future is our future.

There are about 300 students aged 6 to 19 and like a big family, we all know each other, and treat our members with fairness and mutual respect.

With a 4:1 student to staff ratio and an average class size of 10, your teacher, mentors and house parents, will understand and look after you as a person. Lessons and activities can be focused on how you learn best. There are over 40 nationalities represented at our boarding and day school, so you will develop a well-rounded perspective on the world while your classmates will become a global network for life.

Life at Montana is unique. Situated on the Zugerberg mountain at 950m, our campus offers seclusion and contact with nature while benefitting from its proximity to Switzerland's major cities and all the opportunities they offer (15 min from the city of Zug, less than an hour from Zurich and its international airport). We are surrounded by the forest and enjoy the outdoors during all seasons.

We breathe mountain air, drink our own spring water and eat fresh locally-sourced food. With 300 students from over 40 different nations, our highly diverse international community promotes typically Swiss values, such as a strong work-ethic, respect for each other and dedication to achieving excellence.

“The Pursuit of Excellence”

You can choose from leading Swiss and international educational programs what suits your interests and aspirations

- Learn.Grow.Move.Meet 2/4 week summer programme for students aged 10– 15
- Bilingual Elementary & Secondary School (1-9)
- PRE-IGCSE (7-8), IGCSE (9-10) and IB Diploma (11-12) programmes
- Swiss High School, Matura Programme, (9-12)

“Empowering Students”

We encourage you to pursue unique interests, whether those be athletic, intellectual, cultural or social in nature. Montana students participate in athletic competitions, Model United Nations conferences, entrepreneurship programs, theatre productions and more. A Student Council actively influences all aspects of boarding life and our students contribute to the world at large with charity projects around the world.

"Please keep sending more students like Antonio to us." - Oxford University

Internat Solling (Germany)

www.internatsolling.de

Participating in Warsaw

Internat Solling is an independent private German Grammar School with a tradition reaching back more than 100 years. It is sitting on park-like grounds overlooking the small town of Holzminden in central Germany. The number of pupils is about 250, of which 200 live at the boarding school. A special feature is the integration of learning and living: not only the students, but also most of the teachers live on the campus and take care of the boys and girls.

Classes are small, about 15 pupils or less. Tuition is in German, foreign languages taught include English, Spanish and French. We are a member of MINT, a school network for maths and science. For our 50 international students we provide a wide system of special classes in German. The final diploma is the worldwide respected „Abitur“, the entrance certificate for higher education.

Extracurricular activities include numerous sports, arts and crafts as well as special projects of all kinds. Our facilities for horse riding are outstanding among German boarding schools.

For more information see www.internatsolling.de

International House London (Great Britain)

www.ihlondon.com

Participating in Warsaw

International House London is the largest single-site language school and teacher training centre in London, located in the heart of the capital, Covent Garden.

The school is spread over 9 floors and has 53 classrooms, a separate business and specialist department, a new modern café, social programme area and a self-access computer centre.

IH London has over sixty years of experience and teaches across the full spectrum of courses including General English, Young Learners, Teacher Training, and Specialist tailor-made courses to suit every need. Additionally, the school also offers IELTS, Cambridge and OET exam preparation courses and exams, and face-to-face, online and overseas teacher training programmes.

Each year, the school welcomes more than 8,000 students from over 150 countries and today, International House London is:

- The top 1% of UK language school, judged by the latest British Council inspection results and reported in the EL Gazette 2018.
- Ranked the ‘Best value Language school in central London’ by EL Gazette.
- the world’s largest provider of Cambridge CELTA – initial teacher training qualification

- The largest single provider of Cambridge DELTA courses in the world
- Europe's largest IELTS Testing Centre

International House Young Learner Centres

Our Young Learner Centres are based in Oxford, Ellesmere, Moulton and Edinburgh.

Oxford courses (suitable for 12-17 year old students) are based in one of the country's most prestigious boarding schools in the ancient University City, while our Ellesmere centre (open for 8-17 year olds) is situated in typical English Village surrounded by beautiful countryside.

Moulton (for students aged 12 – 17 years) is a new centre for 2019 and is based at Moulton College, a new further Education college that boasts facilities used by International sports teams, including its own equestrian centre and stables. Edinburgh (open for 8 – 17 years) provides summer and year round courses for students aged 8 to 17 years old in the stunning College building. Situated close to Edinburgh, the centre is perfectly located to visit all of the historic and exciting attractions within the Scottish capital as well as being within easy reach of Stirling, Glasgow, St Andrews and the highlands.

INTO University Partnerships *(Great Britain, USA, China)*

www.intoglobal.com

Participating in Warsaw, Wroclaw, Krakow

INTO runs partnerships with world-class universities in the US and UK to offer on-campus university preparation programs in English, Study Abroad, Pathway, Foundation, and direct-entry to undergraduate and postgraduate degree studies.

Every year INTO helps hundreds of young people from around the world find the course that's right for them at an internationally-respected UK or US university. With modern study centres, access to top facilities and support every step of the way, you're guaranteed a great international education. Join INTO and you'll open up a lifetime of career opportunities.

In the USA, INTO offers programs on campus at these prestigious universities:

Oregon State University (Corvallis, OR) / University of South Florida (Tampa, FL) / Colorado State University (Fort Collins, CO) / Marshall University (Huntington, WV) / George Mason University (Fairfax, VA) / INTO New York at Drew University (Madison, NJ) / Saint Louis University (St Louis, MO) / The University of Alabama at Birmingham (Birmingham, AL) / Washington State University (Pullman, WA) / Suffolk University (Boston, MA) / Illinois State University (Normal, IL) / Hofstra University (Hempstead, NY).

In the UK, we offer programs at:

INTO University of East Anglia / INTO University of Exeter / INTO Newcastle University / INTO Glasgow Caledonian University / INTO Manchester (NCUK, The University of Manchester, Manchester Metropolitan University) / INTO Queen's University Belfast / INTO City University London / INTO University of Gloucestershire / INTO University of Stirling / INTO London - World Education Centre.

For more information, please visit <https://www.intostudy.com/en-gb>.

IQ Schools Group *(Great Britain)*

<https://iqschoolsgroup.com/>

Participating in Warsaw, Krakow

IQ Schools Group manages the international recruitment for several boarding schools in the UK.

Adcote School (www.adcoteschool.org.uk) is an extremely friendly and successful all girls' school in the north of England. Founded in 1907, it has a long and distinguished history, as well as a reputation for providing excellence and all-round education for aspirational girls.

We nurture girls' individual talents and pride ourselves that all girls have the opportunity to excel academically, on the sports field, in music and performing arts. We currently have 170 girls in the school aged between 7 and 18. Small class sizes and passionate teachers enable a high performing and supportive culture encouraging girls to be the best version of themselves possible.

Myddelton College (www.myddeltoncollege.com) is a co-educational boarding school in Denbigh, North Wales. The school currently has 220 students, of which 80 are boarders. Myddelton College is a Microsoft showcase school and students are expected to engage with the internet, with lessons that are delivered electronically, through Cloud technology, using flip learning techniques and utilising Microsoft Office. Our Learning Through The Outdoors programme promotes resilience, confidence and leadership in students whilst learning in the Area of Outstanding Natural Beauty surrounding our beautiful school.

Leeds Beckett University *(Great Britain)*

www.leedsbeckett.ac.uk/international

Participating in Warsaw, Lodz, Wroclaw, Krakow

With a history dating back almost 200 years, Leeds Beckett University has grown to become one of the most popular institutions in the UK. Leeds Beckett boasts five-star QS ratings for employability, facilities, inclusiveness and internationalisation; a silver status in the 2017 Teaching Excellence Framework and enviable employability stats.

The University hosts a diverse mix of students across two campuses, with more than 24,000 students from 143 different countries attending the institution. It takes pride in creating a welcoming environment for those from overseas, with a week of activities scheduled just for international students when they arrive.

With more than 150 undergraduate and 190 postgraduate courses, there are plenty of degree options for students to choose from, too.

Based in the student friendly city of Leeds, there are lots of things to do for students away from their lectures. Just two hours from London on the train, the city is also a good base from which to explore the UK and the rest of Europe.

NABA – Domus Academy *(Italy)*

www.naba.it www.domusacademy.it

Participating in Krakow

NABA – Nuova Accademia di Belle Arti

NABA is an internationally renowned art and design academy. Founded in 1980, NABA is the largest private art academy in Italy offering accredited bachelor's and master's degree programs in Italian and in English. As a student at NABA, you will develop your creativity while preparing for the professional world. NABA has spent decades cultivating relationships with prestigious design companies and studios, and you will have the chance to work on real-world project briefs given by these companies. This emphasis on hands-on practice, balanced with lectures about art and design theory, is what makes NABA's academic methodology so successful and unique. Within one year of graduation, 89% of our alumni find jobs. The Milan campus, set in the beautiful and historic Navigli area, comprises of 13 modern buildings spread over 17,000 square metres. Our design laboratories, cutting-edge tools, and classrooms are constantly updated so that your work can be as fresh and relevant as possible. With 4000 students from 70 countries on our campus, NABA is a truly multicultural environment.

Domus Academy Milano

Domus Academy was set up in Milan in 1982 as one the first postgraduate design school in Italy.

Over the years, it has established itself as a place for postgraduate training and a research laboratory on the themes of innovation and design. Domus Academy is a living laboratory. An incubator of talents and a springboard for interdisciplinary adventures. At Domus Academy, you can gain knowledge and practical skills by solving real-life design problems in collaboration with some of the most exciting brands in fashion, product design, interaction design, luxury goods, and more. In workshops, internships, and/or field experiences, you will work directly with companies to address the most contemporary design challenges in fresh and original ways. Offering one-year master's courses in the areas of Design, Fashion, Business and Experience, the school centers around its unique "learning by designing" methodology.

Nanjing University of Aeronautics and Astronautics (China)

<http://iao.nuaa.edu.cn/>

Participating in Wroclaw, Krakow

Nanjing University of Aeronautics and Astronautics (NUAA) is one of China's premier learning and research institutions which now develops into a comprehensive university especially featured with Aerospace Engineering. Ever since it was established in 1952, we have strived to conduct world-level research and education system. Nearly 65 years' history witnesses its unremitting efforts and remarkable achievements.

NUAA is one of the first few universities in China to recruit international students in English taught engineering programs. According to QS Subject Ranking (2017), NUAA's Aerospace and Mechanical Engineering subject is regarded as top 200-250 in the world. College of International Education (CIE), being established in 2005 is oriented towards international talent cultivation. It offers 6 undergraduate and 55 postgraduate (Masters' and PhD), Foundation (pre-university) taught in English while 20 undergraduate programs and 120+ postgraduate program together with short-term Chinese Language Program delivered in Chinese. Currently, 1300 international students from 100+ countries are pursuing the different degree and non-degree programs, CIE is giving the international student a strong platform for academic and career development. together with numerous scholarship opportunity to deserving candidates.

National University of Theatre and Film „I.L. Caragiale“ Bucharest (Romania)

www.unatc.ro

CINETic also hosts the following **MASTER'S PROGRAMS**: Art of Game Design (in English); Interactive Technology for Performing and Media Arts (in English); New Media Design (in English); Animation Film (in Romanian) and Performing ArtTherapy (in Romanian).UNATC – unatc.ro | CINETic – cinetic.arts.ro

Northumbria University, Newcastle *(Great Britain)*

www.northumbria.ac.uk

Participating in Warsaw, Lodz, Wroclaw, Krakow

Northumbria University, Newcastle, is a research-rich, business-focused, professional university with a global reputation for academic excellence and is one of the largest universities in the UK with around 30,000 students. Our facilities make us one of the biggest, most progressive and exciting universities and we are ranked as one of the world's best young universities in the Times Higher Education 150 under 50 ranking. Northumbria is ranked a UK Top 50 University by both the Guardian University League Tables 2019 and the Complete University Guide 2020.

Northumbria University prides itself on getting its students ready for the world of work, ensuring that the learning experience helps to build graduates with the skills, knowledge and behaviours to enhance their employability and leadership potential. We are ranked 7th in the UK for graduate employment in the DLHE survey 2016/17. More than 560 employers sponsor our students and 63 professional bodies accredit our courses across all four faculties.

Northumbria offers nearly 500 courses across Undergraduate, Postgraduate, Continual Professional Development and Distance Learning. Students have the opportunity to study across the four faculties, Business and Law, Engineering and Environment, Arts, Design and Social Sciences and Health and Life Sciences. We partner with household names such as Abercrombie & Fitch, Microsoft, Mars, Dunhill, Mulberry, Samsung, Unilever, Phillips, Nike and Intel – to name a few. There is no doubt that Newcastle upon Tyne is a great place to live and to be a student, with its lower cost of living and accommodation compared to other areas in the UK. It has recently been named as the 3rd most cost effective city for students in the UK. There is an international airport, with direct flights each day to a number of destinations.

Newcastle is a fabulous place to live and study and with one in six people in the city being students, you'll feel right at home.

Nova Scotia International Student Program *(Canada)*

www.nsisp.ca

Participating in Warsaw, Lodz

The Nova Scotia International Student Program (NSISP) has been offering an unparalleled public education and immersion experience to international students for 21 years. The NSISP is the largest public high school program outside of Toronto and Vancouver and fills up quickly each year with application deadlines in March. Students can choose to study for a semester, full-year, or ESL Summer Camp. Students are accepted from grades 4-12 (8–18 years old). International students can start their program in either September or February.

The NSISP manages its own homestay program and students live with Canadian homestay families and are encouraged to participate in the many extra-curricular activities offered in their schools and communities. NSISP students can choose from a wide variety of subjects within the Nova Scotia curriculum and are fully integrated into the schools they attend. The NSISP annually attracts more than 2000 students from 35 countries who study in 75 of the provinces public schools. The program offers many unique programs and services to its students including free university fam tours, a student experience app, and the award winning Student Ambassador Program. Find out more by visiting nsisp.ca

Petroleum – Gas University of Ploiesti (Romania)

<https://www.upg-ploiesti.ro/>

Participating in Warsaw

Petroleum-Gas University of Ploiesti is a higher education institution with a well-established prestige which offers a wealth of acclaimed academic staff who guide and support the academic development of our students in both the technical sections and social sciences and the humanities. We conduct research at the highest international level, creating new knowledge and sharing the benefits of its students, partners and users.

Petroleum-Gas University opened its doors in 1948, in Bucharest, capital of Romania, but after 1975 it was moved in Ploiesti, a city situated at 60 km north of capital, named BLACK-GOLD CITY, after the high number of petroleum refineries.

Today, in Ploiesti, **Petroleum-Gas University** offers a variety of education programmes in area of petroleum engineering, chemical engineering, environmental protection engineering, computer science and informatics technology, economic studies, language and literature and educational sciences.

Petroleum-Gas University of Ploiesti has been permanently interested in strengthening its international prestige, in increasing student and teaching staff mobility and in supporting recognition of its educational programmes worldwide.

RTU Riga Business School (Latvia)

www.rbs.lv

Participating in Warsaw, Lodz, Wroclaw, Krakow

Saxion University of Applied Sciences (the Netherlands)

www.saxion.edu

Participating in Warsaw, Lodz

Saxion University of Applied Sciences is located in the east of the Netherlands on three campuses, in the lively cities of Enschede, Deventer and Apeldoorn.

Our university has a population of approximately 27,000 students, including 3,500 international students. We offer Bachelor and Master programmes covering more than 38 different English-taught study routes. English-language international programmes are available for a wide variety of disciplines, ranging from business studies to technical subjects.

Since Saxion's international programmes are accredited both nationally and internationally, our degrees are recognised worldwide. Obtaining your Bachelor or Master degree at Saxion will enable you to seek employment either in your home country or in many other countries across the globe. Saxion has been offering Bachelor and Master programmes in English for many years and our programmes have proven to be extremely popular with students from around the world. At present, students participating in our programmes come from 100 countries, including Indonesia, Germany, India, Norway, China, Taiwan, Russia, Brazil, Japan, Bulgaria, Poland, Lithuania, Vietnam, Romania and Turkey, to name but a few.

Sherborne International *(Great Britain)*

www.sherborne-international.org

Participating in Warsaw, Lodz

Sherborne International is a specialist intensive school for up to 150 overseas girls and boys aged 11-17. Students from non-British backgrounds are given the best linguistic and academic preparation possible, in clean, modern buildings with excellent facilities. Boarding accommodation is mainly in modern single or double rooms. There is a very high ratio of house and pastoral staff to support students and promote welfare in every respect.

Classes have a maximum of 8 students. All teachers are double trained – to teach English AND their own subjects, such as maths, biology, physics, chemistry, geography, history, art, drama and business studies. This is to help ensure all lessons are fully understood and that language and other cultural differences are not barriers to learning.

The School achieves outstanding GCSE/IGCSE and IELTS results and offers quality academic Spring Vacation and Summer programmes:

Sherborne Summer for up to eight weeks in July and August – the first and original academic summer school in the UK of intensive English with a range of subject classes for a real experience of British boarding school life, run by Sherborne International to the same high standards as its academic year programmes using its own year-round expertise, facilities and resources. Building on the continuing success of its summer courses, Sherborne Summer has developed academic preparation courses for IGCSE and IB Diploma/A level, pre-6th form and a mid IGCSE subject booster (ages 13-17) as well as the original UK curriculum style intensive English (ages 8-17). Average 6 and maximum 8 students in any class.

Sherborne Spring for up to two weeks in March/April – IGCSE Revision Courses (maximum 8 in a class), with additional options for individualised and group tuition personalised to match individual needs.

St Clare's Oxford *(Great Britain)*

www.stclares.ac.uk

Participating in Warsaw, Wroclaw, Krakow

St Clare's Oxford is an independent, co-educational, day and boarding, sixth-form college located in elegant north Oxford and has been offering the International Baccalaureate Diploma for over 40 years, longer than any other school or college in England. It is also an IB World School. The college has a worldwide reputation for expertise in providing the IB Diploma and embraces internationalism and academic excellence as its core values.

Students from over 40 countries study at St Clare's, including a significant number of British students. The atmosphere is informal and friendly, with an equal emphasis on hard work and developing personal responsibility and mutual respect between staff and students. Each student has a Personal Tutor who oversees welfare and progress.

The highest possible score for the IB is 45 points – only 0.2% of students worldwide are able to achieve this each year. In recent years, 19 of our students have gained the maximum 45 points and obtained places at top ranking universities worldwide.

St Clare's has an especially wide range of subjects on offer at higher and standard level and, in addition, can teach literature face-to-face in over 25 different languages, something that is not available in any other school in the UK.

The college offers a **Pre-IB course** for those students not ready to take the full IB Diploma, which includes IGCSE English and Maths. Students can attend a three week **IB Introduction Course** in summer to prepare for the start of the diploma in September.

Entry to St Clare's is based on previous academic results and interview and offers are usually made on the day of the interview. There is also a competitive scholarship and bursary programme. There is an extensive programme of **social, cultural and sporting activities** and students are encouraged to take full advantage of the opportunities that Oxford provides.

As well as the IB, St Clare's offers a University Foundation Programme, English language courses, Gap Year Courses and a successful Summer School.

St Edmunds's College *(Great Britain)*

www.stedmundscollege.org

Participating in Warsaw

First founded in 1568, St Edmund's College is a very old, very English, traditional Catholic boarding and day school for girls and boys near London and Cambridge. Our nearly 500 acre green campus ensures a safe and healthy environment for young students to live and work. All through the year, we provide the full English curriculum, GCSE / IGCSE and A level, leading to entry into the top 20 English universities. We are not an international school. Overseas students, who make up only 10-12% of the total during the academic year, are welcome and fully integrated into mainstream classes from day one but also offered English support across the curriculum at no extra cost if they need it, and we also offer a taster 'preparation for boarding' course in July and August, where we teach English through other school curriculum subjects. This "summer school" is 3 weeks in July or 3 weeks in August each summer. It is most appropriate for the international student who already has a high level of English and is looking for something more interesting and challenging. Of course we have a very full programme of sports, social activities and educational excursions to all the famous places to make the most of our location and campus sports facilities. Boarding is in twin bedrooms (GCSE/ Summer School) or single rooms (A Level), with full board on campus. The age range for entry to the school (and the summer school) is 11-17.

Stiftung Louisenlund *(Germany)*

www.louisenlund.de

Participating in Warsaw

Preserving values, taking responsibility, shaping the future – Louisenlund, the only IB boarding school in Northern Germany, impresses with its beautiful surroundings, a thoroughly international character and education of the highest quality. Located on the Schlei, a Baltic Sea fjord, the school is committed to forming open-minded and responsible citizens. Louisenlund seeks to develop personalities and promote talents.

Practical, proactive and experiential learning enables students to actively acquire and develop knowledge and to achieve their individual educational objectives. Louisenlund's students are expected to become the principle players in their learning process and to be accountable for their own academic process. Nevertheless, each student is accompanied by a faculty mentor, who acts as an academic advisor and helps students maximize their potential. Committed to the IB Learner Profile, Louisenlund not only aims for the best possible academic achievement amongst our young learners; the sense of community, companionship and consideration for others, as well as the readiness to take on responsibility are of particular importance.

Since its founding in 1949, Stiftung Louisenlund has stood for a top-class education, with high standards for academic achievement and character development. We offer the possibility to choose between the **German Abitur** and the **International Baccalaureate (IB) Diploma**, two widely recognized qualifications. 370 pupils, including 59 from abroad, currently attend the half-day primary school and the full-day 'Gymnasium' (German secondary school) or the IB Diploma Programme. Nearly 290 students are residents of our boarding community, which impresses with its relaxed and familial atmosphere. Because of the large number of Anglophone teachers, various native speakers teach their own language (English, Spanish and Chinese) and our membership in the esteemed Round Square network, Louisenlund enjoys a good reputation worldwide. Another important feature is the exceptionally good relationship between students and staff, deriving from the small learning groups. Particular talents and weaknesses can be specifically fostered. Besides the educational possibilities and the broad range of extracurricular activities, life at Louisenlund is a time to remember for other reasons: local and international projects, linguistic and cultural diversity on the campus, lifelong friendships and the exceptional team spirit of our community.

Study in Lithuania *(Lithuania)*

<https://studyin.lt/>

Participating in Warsaw

"Study in LT" is a non-commercial national information and support centre for students who wish to study in Lithuania. We aim to inform the future international students, their parents and others about Lithuanian Higher Education System, Lithuanian Higher Education Institutions, available study programs, scholarships, migration procedures and more.

At our stand, you can meet representatives from the following institutions:

- Alytaus kolegija / University of Applied Sciences
- Kauno kolegija / University of Applied Sciences
- Kaunas University of Applied Engineering Sciences
- LCC International University
- Mykolas Romeris University
- Vilniaus kolegija / University of Applied Sciences
- Vytautas Magnus University

Taunton School *(Great Britain)*

www.tauntonschool.co.uk

Participating in Wroclaw, Krakow

We have been welcoming students to Taunton School International since 1996, delivering hugely successful academic courses. The intensive courses and unique all round experience sets Taunton School International apart from other UK boarding schools.

We are a very inclusive, friendly, progressive and successful school where all students are afforded outstanding education and support in order that they may reach their full potential.

Taunton School has been welcoming international students for more than 150 years. For our international students, we offer a number of educational pathways, allowing for a far more flexible and tailor-made approach to teaching and learning. Our younger international students (ages 8 - 14) with low levels of English study at The Grange, where they receive intensive and expert tuition in English as well as other academic subjects until they are ready to transfer to the Prep or Senior School. International students between 14 - 16 years old join our prestigious one- or two-year GCSE programme, providing students with the best possible preparation for Sixth Form study. For those international students with high levels of English, we are able to offer places directly into our Prep School (ages 7 - 12) or Senior School (ages 13 - 18). No matter where you start in Taunton School, you are guaranteed a warm welcome and individual care that is second to none.

Tilburg University *(the Netherlands)*

www.tilburguniversity.edu

Participating in Warsaw, Lodz, Wroclaw, Krakow

Get ready for your future with a degree of Tilburg University in the Netherlands. Tilburg University is based in the Brainport Region in the south of the Netherlands, which has been named smartest region in the world. We are known for our high-quality education, social orientation, and strong campus feeling. We regularly take a leading position in the international rankings; we for example rank #6 in Europe in the field of Business and Economics (THE ranking 2019). Also the overall student satisfaction at Tilburg University is highest of all general universities in the Netherlands (NSE 2018). Moreover, students and staff from more than a 100 countries currently study and work here, among whom about 20 new students from the Baltics every year. So our campus really is a 'global village' of diversity.

We offer a large number of English-taught Bachelor's, Master's, and Research Master's programs in the areas of:

- Economics & Management
- Law & Public Administration
- Social & Behavioral Sciences
- Data Science & Econometrics
- Organization Studies & HR
- Finance & Accountancy
- Communication & Digital Sciences
- Humanities & Theology

The Royal School Wolverhampton *(Great Britain)*

<https://theroyalschool.co.uk/>

Participating in Warsaw, Lodz, Wroclaw, Krakow

Located in a leafy suburb of Wolverhampton, The Royal is conveniently situated between countryside and the UK's second largest city, Birmingham, giving pupils ample opportunity to experience the rich contrasts of British life. Furthermore, the school is a State Boarding School making it a very attractive option for students from the European Economic Area and European Union. Tuition is free and Boarding costs are £12,300 for the year.

The Royal is a small, cohesive community with a friendly atmosphere for both day pupils and boarders alike. Our strong academic tradition is based upon individual attention and encouragement, as well as excellent pastoral care founded on respect, tolerance and understanding of others.

Students achieve their full academic potential, whilst a wide range of extra-curricular activities is available to develop character and leadership. We prepare pupils for Oxbridge and other top universities while also catering to pupils of all abilities. The School regularly achieves high standards in both A-Level and G.C.S.E. results, particularly in STEM subjects of mathematics and the sciences. The Royal combines traditional values with a modern outlook and a 'real-world' attitude. At the Royal, education is about developing the whole individual.

University of Groningen – Faculty of Economics and Business *(the Netherlands)*

www.rug.nl

Participating in Warsaw

Founded in 1614, The University of Groningen is a top 100 university that provides high quality educational programmes to students from around the world. Our international student community come from over 120 different countries.

The University delivers a broad, international curriculum of 35 English-taught degree programmes at bachelor's level and over 150 master's programmes. Study fields include business and economics, science and engineering, arts and humanities, spatial sciences, psychology, international law and liberal arts and sciences.

Groningen is a hugely popular student city, being both vibrant and safe. There is a wide variety of student associations, sports activities, entertainment, music and culture, which provide the ideal balance between study and free time.

Westbourne School *(Great Britain)*

www.westbourneschool.com

Participating in Warsaw

1st in the UK League Tables for 5 consecutive years and awarded The Sunday Times Schools Guide, IB School of the Year 2019, Westbourne School is one of the UK's leading academic schools. Established in 1896, Westbourne develops well-rounded students, equipped with the skills, knowledge, confidence and character to become leaders of the future in their chosen field.

Gold standard programmes

IB Diploma: Internationally recognized and widely respected for its breadth of programme.

GCSE/IGCSE: Full course and 1 year GCSE/IGCSE programmes: 40% of GCSE grades are A* equivalent; (20% Grade 9 | 20% Grade 8s), 5 times the UK national average.

Pre-IB: One year, Pre-Diploma foundation course for international students, specifically designed for 15-16 year olds.

90% of Westbourne graduates progress to study at Russell Group universities, studying highly competitive courses including Medicine, Engineering, Economics, Computer Science, Business and Law. Offering individualised academic excellence, Westbourne has a warm and highly supportive culture. Small class sizes, an 8:1 pupil-to-teacher ratio and a tutorial style ensures every student excels. More than 50% of teachers at Westbourne have a PhD or Masters and more than 50% have taught internationally, so can quickly relate with local and international students alike. Located in the safe seaside town of Penarth, ranked as one of the Top 10 best places to live in the UK, also just minutes from the vibrant capital city of Cardiff, Westbourne is a resoundingly British school. A student body of 72% British students, complemented by 16% European, 12% Asian students drawn from 24 different countries; no one nationality dominates. Boarding students live within 2 minutes-walk of the main school building, in a modern fully-equipped boarding house, supported by live in, caring and professional House Parents.

Whitgift School (Great Britain)

www.whitgift.co.uk/summerschool

Participating in Warsaw

Whitgift School is an outstanding British independent day and boarding school set in beautiful parkland in Surrey, just half an hour from Central London and Gatwick Airport. Founded in 1600, it is renowned for its first-class education, sporting excellence and a commitment to achieving the highest standards.

In 2015, Whitgift Summer School was launched – a unique and exclusive course for international students aged 11-16 from all over the world. The course includes 23 hours of English lessons per week and a diverse range of academies and activities (eg Football, Tennis, Golf and Horse-Riding) to suit all skills and interests. There is an exciting programme of excursions to venues including visits to the Warner Bros Studios, a West-End Musical and Thorpe Park.

All students live in a modern, state-of-the-art boarding house. There are single, double and triple rooms, all of which are en-suite.

All aspects of the course also involve British Students Hosts – boys from Whitgift School and girls from Old Palace School – ensuring all international students learn and socialise with native English-speakers – truly a unique opportunity.

Wimbledon School of English (Great Britain)

www.wimbledon-school.ac.uk

Participating in Warsaw

Wimbledon School of English is the top centre of excellence in the UK (jointly with 2 other schools) out of 570 British Council accredited English language schools. We welcome students from over 80 different countries - this gives a wonderful opportunity to make new friends from around the world and speak English together. We have a diverse range of courses for all levels, from General English to professional courses such as Business English, English for Law and Medical English. We also offer exam preparation courses such as IELTS and Cambridge English. For students aged 10-17, we have a junior summer centre located at a British boarding school an hour's drive from London.

We are based in Wimbledon, one of the safest and most beautiful parts of London, and only 20 minutes away from central London. There are shops, cafes and restaurants, cinemas, theatres and 16 parks! All our accommodation is of very high quality and is in the Wimbledon area, never more than a 25 minute journey from school. 40% of housing is within walking distance of the school. We offer a range of homestays and student residences to choose from.

Our exciting daily sports and social activities programme allows you to experience London as one of the most vibrant cities in the world. We organise weekly weekend excursions to famous cities and attractions around the UK.

Studying with us at WSE is an incredible experience that you will remember for a lifetime.

Worcester Sixth Form College (Great Britain)

www.wsfc.ac.uk

Participating in Krakow

Worcester Sixth Form College is an open access College and specialists in 16-19 education. We provide a wide range of high quality courses to support individual students in achieving their full potential.

We provide the opportunity to gain experience within a UK educational institution and can offer the following options.

One-Term

Students can choose from our full range of A level, GCSE subjects (please see our website or prospectus for further details). A donation is required, which this academic year 2019/20 is £1333.00 per term.

One/Two Year

Students can choose from our full range of A level, GCSE and vocational subjects (please see website or prospectus for further details). You will usually need to enrol on GCSE Maths and English as part of a one or two-year programme. You will be required to sit an examination in your English and Maths qualification prior to completing your programme.

Please complete an online application form. We will then invite you to have a skype interview to ensure that you get good advice about your choice of subjects and allow you to find out more about studying and living in Worcester.

If you wish to make an enquiry or require further information, please contact Julie **Taylor-Sellars@wsfc.ac.uk**, International Student Manager.

Wycliffe College *(Great Britain)*

www.wycliffe.co.uk

Participating in Warsaw, Lodz, Wroclaw

Excellent academic standards

Wycliffe has many years of experience in welcoming international pupils into its lively and thriving school community. Pupils are guided and supported so that they achieve academic excellence at GCSE and A Level. In fact, Wycliffe is among the top 20% of schools in England for helping pupils to exceed their potential (Value Added). For those considering GCSEs there are 22 subjects on offer and in the Sixth Form over 30 – ranging from the traditional subjects to the more specialist fields. Wycliffe is also the SAT/ACT test centre for American university preparation.

Outstanding boarding

Accommodation at Wycliffe is impressive – facilities have been invested in considerably over the past few years. Each of the 8 boarding Houses offer pupils their own kitchen, common room and social spaces, as well as wifi. Wycliffe's newest boarding House recently won an award from the Boarding Schools' Association for its 'design, sustainability and innovation'. Pupils also receive an exceptionally high standard of pastoral care from the well qualified and experienced house staff. The Independent School Inspectorate (2016) reported that "relationships between the boarders and staff contribute to close communities within each of the boarding houses."

Learning English, Preparation for A Levels, Take some key GCSEs

Some international pupils choose to join the Development Year (DY) at Wycliffe before embarking on the full two year A Level programme. This is because they wish to improve their English and experience a range of subjects while living and working in a traditional British boarding school. DY pupils study a broad range of subjects including English, Maths and the Sciences and many can take up to six GCSEs as well as a range of ESOL exams. During the year they also receive an introduction to some A level subjects, in preparation for Sixth Form. The DY pupils are part of all the house, sports, and social activities in which they can build friendships and improve their language skills. Included in the timetable, pupils benefit from expert tuition in English as a Second Language.

Wycliffe is a co-educational day and boarding school for pupils aged from 2 to 18 years.

HZ daje dużo możliwości praktyk, zaczynając od pracy w grupach, po wycieczki do znanych firm, ale również wymianę uniwersytecką i staże. Osobiście na trzecim roku wyjechałam na pół roku do Murcii w Hiszpanii, gdzie studiowałam na jednej z partnerskich uniwersytetów. Na drugim semestrze zdecydowałam się na pracę w firmie e-commerce w Niemczech. Uważam, że wybór HZ był jedną z najlepszych decyzji w moim życiu!
